Possible Alternatives to Booking a GP Appointment

Your GP surgery can provide a huge range of advice, examinations, treatment, vaccinations, prescriptions and other routine healthcare; but did you know there are lots of other local NHS services that you can go to directly for help?

NO NEED TO SEE YOUR GP FIRST

This guide sets out the main services that are available locally and how you can contact them.

For further information visit

www.nhs.uk or www.patient.co.uk

MINOR AILMENTS AND CONDITIONS

You can get rapid advice and treatment from your local pharmacy. The Pharmacist may be able to issue medicines for these conditions:
